RE: Reference Letter for KGC

Please accept this letter as a Letter of Reference in support of the valued work performed by KGC in respect of a subcontractor lien/delay claim made against our general contractor client.

When Brownlee retained KGC to provide an expert report to respond to a multi-million dollar lien/delay claim, our office had not worked with KGC previously. During this assignment, it was our experience that KGC personnel (Jerry Crawford and George Anderson) were knowledgeable, skillful, prompt and diligent in all of our dealings. Through their efforts and work product, we were able to achieve a much appreciated and favorable settlement of this claim.

We would gladly recommend KGC for other assignments should the opportunity arise.

Yours very truly,

BROWNLEE LLP
