Dear Jerry,

On behalf of the faculty, staff and most importantly the students of SAIT, thank you for your recent pledge payment to the KGC Commercial Management Excellence fund. Gifts like yours reinforce the belief that what makes SAIT the great place it is, is the sense of community — that we're all working together towards a caring, compassionate and hopeful future.

I hope you are able to join us on campus soon to witness the impact of your gift. It might be a student studying in the library buoyed by the award they received, knowing that their financial burden is lessened, or a class is learning on a donated piece of equipment, ensuring they are industry-ready at graduation. Your gift makes a difference in so many tangible ways – it can lift a burden, instill pride and confidence, or remove barriers to learning. For this, we are grateful.

Thank you,

*Donna Lambert*
